Gamal Brown**

Lincoln Theatre
Associate Director

In today's uncertain climate, there is an urgent need to raise support for the development of young children and youth.

The "Are the Children Well" symposium is for families, educators, policymakers, community members, and business leaders who are committed to supporting the growth and success of young children and youth. This event will allow attendees to connect with like-minded individuals and organizations dedicated to improving the lives of children and how various sectors can work together to shape brighter futures.
